

Reading

In Whole Class Reading we will:

- Read 'Mr Penguin and the Lost Treasure' by Alex T Smith.
- Make predictions.
- Retrieve information.
- Make inferences about characters.

History

In History we will:

- Look at the history of toys.
- Compare toys from the past to the present.
- Look at how toys have changed.
- Handle old and new toys.

PE

In PE we will:

- Develop different jumping and landing skills.
- Use a range of social skills to help, praise and encourage others in their learning.

DT

In DT we will:

- Make puppets.
- Use different ways to attach materials.
- Design a puppet.
- Make our own puppet.

PSHE

In PSHE we will:

- Learn about keeping our minds and body healthy.
- Develop strategies to help us to handle our emotions.
- Learn about important habits to keep physically healthy, like washing our hands.

Science

In science we will:

- Explore different materials and their uses.
- Learn about Charles Macintosh.

RE

In RE we will:

- Learn about the Shahadah, the Qu'ran, the 99 names of Allah and why they are important to Muslims.

Writing

In writing we will:

- Learn to write non-chronological reports about animals.
- Explore narrative writing through the story of 'The Lonely Christmas Tree'.

Computing

In computing we will be:

- Covering online safety.
- Exploring early programming concepts.

Music

In music we will be:

- Learning, rehearsing and singing a range of seasonal songs.

Year 1 Phonics

- Revisiting digraphs from the initial code: ck, ng, ch, sh, th, wh
- Revisiting extended code learning from last term ai, ee, oa
- Segmenting and blending sounds to make words.
- Introducing new vowel digraphs from the extended code: o, er, e
- Learning strategies for reading and writing polysyllabic words.

Year 2 Phonics

- Recapping code taught in Year 1
- Segmenting words and blending sounds to make words.
- Continuing learning the Extended code and looking at more alternative spellings for taught sounds.
- Learning strategies for reading and writing polysyllabic words.

Year 1 Maths

We will:

Addition and subtraction:

- Understand part-whole models.
- Write number sentences.
- Learn number bonds to 10.
- Work systematically.
- Explore fact families when adding and subtracting.
- Add by adding together and adding more.
- Subtract by crossing out and taking away.

Shape:

- Recognise and sort 2-D and 3-D shapes.
- Make patterns using 2-D and 3-D shapes.

Year 2 Maths

We will :

- Add and subtract tens.
- Add and subtract two 2-digit numbers (not across a ten).
- Add and subtract two 2-digit numbers (across a ten).
- Solve mixed addition and subtraction word problems.
- Compare number sentences.
- Solve missing number problems.
- Start to look at the properties of 2-D and 3-D shapes.

Home Learning- Choose one of the options below to complete this term:

- Interview a parent or grandparent to find out the kind of toys that they played with when they were a child.
- Make a board game that can be played with a friend.
- Design a toy for the future.
