

Press Play Films After-School Warhammer Paint and Play Club

About the club

Warhammer Paint and play is a fun weekly Warhammer session where children have the chance to build and paint models and learn new painting techniques under the guidance of a Warhammer artist. They will also be able to make terrain and play friendly games, learn more about strategy and gameplay. This is a wonderful hobby for young people who enjoy board games, table top games, relaxed settings and 3d model building and painting. It takes them offline into group settings that are structured and allow friendships to build. We encourage you to sign up to a 1 term taster initially.

Club day: Monday

Where: Southover Primary School, Lewes

Time: 3.15 to 4.30

Total children per group: 14
